SUBJECT: Audit of Wage and Hour Division Enforcement

Please be advised the Office of Inspector General is initiating an audit of Wage and Hour Division's Enforcement Efforts. Our audit will focus on how WHD leverages its tools and resources to ensure employers' compliance with labor laws.

We will contact your audit liaisons to schedule an entrance conference to discuss the audit's objectives, scope, methodology, and timeframes. We plan to begin work immediately and appreciate your notifying the appropriate officials of our plans to initiate work.

To facilitate the start of the audit, we will send an initial document and data request prior to the meeting. We would appreciate these items being available to us at the entrance conference. If you have any questions, please contact Dwight Gates, Audit Director, at (404) 665-4364.
