TO RECEIVE AND EXPEND FUNDS PURSUANT TO 33 U.S.C. 701h  
FOR WATER STORAGE REALLOCATION STUDY  
WHERE  
SUCH STUDY IS A FEDERAL EXPENSE  
AND THERE ARE NO FEDERAL FUNDS**

**May 4, 2015**

**APPLICABILITY.**

**A. The attached model MOA is one of several MOA Models to receive and expend funds pursuant to 33 U.S.C. 701h. This model should be used only for a water storage reallocation study that is a Federal expense (not cost shared) and there are no Federal funds to perform such study.**

**B. Each model MOA to receive and expend funds pursuant to 33 U.S.C. 701h fits a specific set of circumstances. The other MOA Models currently available are posted on the Project Partnership Agreement (PPA) Web page. If none of the models posted are applicable, the Project Delivery Team should consult with the appropriate HQ RIT for guidance/assistance in drafting the appropriate agreement.**

**NOTES/DRAFTING TIPS:**

- 1. FORMAT. - Remove the cover pages, notes section, all bold type references to notes, and any bold type text from the MOA prior to processing for approval.**
- 2. BLANKS. – There are several locations where information specific to the work to be performed is required to fill in a blank. All blanks must be filled in, except the date in the first paragraph, prior to processing the MOA for approval. Including the information required to fill in a blank is not considered a deviation from the model.**
- 3. CONTRIBUTOR’S REPRESENTATIVE. – Insert the title of the Contributor’s representative signing the MOA. Do not include the name, only the title. The title used in this location must match the title used on the signature page. Further, it should be preceded by “the” or “its”, as appropriate, to match the title of the Contributor’s representative. (Example: the Mayor or its Executive Director)**
- 4. PARAGRAPH 9 – OBLIGATIONS OF FUTURE APPROPRIATIONS.**

**A. Paragraph 9 is optional and should only be included in the MOA if the Contributor specifically requests this language and District Counsel determines, by written legal opinion identifying the specific statutes or constitutional provisions, that**

the Contributor meets the Federal statutory criteria for inclusion of this paragraph. See Section 221 of the Flood Control Act of 1970, as amended (42 U.S.C. 1962d-5b).

**B. The information to be added in the first three blanks of the first sentence of Paragraph 2 must identify the legislative body that makes the appropriations. (Example: Legislature of the State of Ohio or City Counsel of the City of Cleveland)**

**C. The information to be included in the fourth - sixth blanks of the first sentence of Paragraph 2 must identify the specific citation to the constitutional or statutory limitation on committing future appropriations. (Example: Article 16 Section 12 of the Constitution of the State of Arkansas)**

**D. If this paragraph is deleted, renumber all remaining paragraphs. Renumbering the paragraphs is not a deviation from the model.**

**5. CERTIFICATE OF AUTHORITY. - The attorney signing the Certificate of Authority must be the principal legal officer of the Contributor and is certifying that the Contributor's representative signing the MOA has the authority to obligate the Contributor. Do not forget to fill in the name in the first line prior to execution of the MOA.**

**6. PREPARING MOA FOR SIGNATURE.**

**A. When printing the MOA for execution: 1) remove the cover pages and any bold type text from the MOA; 2) ensure that the appropriate information has been included in all blanks in the MOA and the Certificate of Authority; 3) ensure that there are no page breaks which allow half empty pages; and 4) use the following format for District Engineer's signature block. Correct rank in 2<sup>nd</sup> line as necessary.**

**Name  
Colonel, U.S. Army  
District Engineer**

**B. Before signature by the District Engineer, the district must ensure that the Contributor signs and dates a minimum of two copies of the MOA and that the Certificates of Authority are signed and dated by the appropriate people. The date on the first page should be filled in by the District Engineer, not the Contributor.**

**C. The Government should retain one copy of the fully executed MOA. All other copies should be provided to the Contributor. A photocopy or a pdf file (as determined by the MSC and the appropriate HQ RIT) of the fully executed MOA should be provided to the MSC and appropriate HQ RIT within 7 days after execution of MOA.**

BETWEEN  
THE DEPARTMENT OF THE ARMY  
AND  
**[FULL NAME OF CONTRIBUTOR]**  
FOR A WATER SUPPLY STORAGE REALLOCATION STUDY  
AT  
**[FULL NAME OF THE PROJECT]**

This MEMORANDUM OF AGREEMENT (hereinafter the “MOA”) is entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by and between the Department of the Army (hereinafter the “Government”), represented by the U.S. Army Engineer, \_\_\_\_\_ District (hereinafter the “District Engineer”), and the **[FULL NAME OF THE CONTRIBUTOR]** (hereinafter the “Contributor”), represented by **[SEE NOTE - 3]**.

WITNESSETH, THAT:

WHEREAS, the **[FULL NAME OF THE PROJECT]** (hereinafter the “Project”) was constructed pursuant to **[CITE AUTHORITY, INCLUDING SECTION NUMBER AND PUBLIC LAW NUMBER]**;

WHEREAS, the Contributor has requested a study of the feasibility of water supply storage reallocation at the Project and the Government currently does not anticipate that Congressional authorization would be required to implement any reallocation that may be recommended;

WHEREAS, no Federal funds are available to study the feasibility of water supply storage reallocation for the Project;

WHEREAS, the Contributor considers it to be in its own interest to contribute funds voluntarily to be used by the Government to study the feasibility of storage reallocation for the Project (hereinafter the “Reallocation Study”); and

WHEREAS, the Government is authorized pursuant to 33 U.S.C. 701h to receive and expend funds to be used for the Reallocation Study.

NOW, THEREFORE, the Government and Contributor agree as follows:

1. The Contributor shall provide to the Government funds to pay all costs associated with the Reallocation Study, including the costs of environmental compliance. While the Government will endeavor to limit costs associated with the Reallocation Study under this MOA to the current estimate of \$\_\_\_\_\_, the Contributor acknowledges that the actual costs for the Water Reallocation Study may exceed this estimated amount due to unforeseen circumstances and that the Contributor is responsible for all costs related to the Reallocation Study.

2. Within \_\_\_\_\_ (\_\_\_) calendar days of execution of this MOA, the Contributor shall provide to the Government the sum of \$\_\_\_\_\_, which is the current estimated cost of the Reallocation Study. If at any time the Government determines that additional funds are needed, the Government shall notify the Contributor in writing of the amount, and no later than thirty (30) calendar days from receipt of such notice, the Contributor shall provide to the Government the full amount of the additional funds.
3. The Contributor shall provide the funds to the Government by delivering a check payable to “FAO, USAED \_\_\_\_\_” to the District Engineer or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government.
4. The Government shall provide the Contributor with quarterly reports of obligations for the Reallocation Study. The first such report shall be provided within thirty (30) calendar days after the final day of the first full quarter of the Government fiscal year following receipt of funds pursuant to this MOA. Subsequent reports shall be provided within thirty (30) calendar days after the final day of each succeeding quarter until the Government concludes the Reallocation Study.
5. Upon conclusion of the Reallocation Study and resolution of all relevant claims and appeals, the Government shall conduct a final accounting of the costs of such work and furnish the Contributor with written notice of the results of such final accounting. Such final accounting shall in no way limit the Contributor’s responsibility to pay for all costs associated with the Reallocation Study, including contract claims or any other liability that may become known after the final accounting. If the costs of the Water Reallocation Study exceed the amount of funds provided by the Contributor, the Contributor shall provide the required additional funds within thirty (30) calendar days of such written notice by delivering a check payable to “FAO, USAED \_\_\_\_\_” to the District Engineer or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government. If the costs of the Reallocation Study are less than the amount of funds provided by the Contributor, the Government shall refund the excess to the Contributor within thirty (30) calendar days of such written notice.
6. No credit or repayment is authorized, nor shall be provided, for any funds provided by the Contributor and obligated by the Government for the Reallocation Study.
7. Nothing herein shall constitute, represent, or imply any commitment to budget or appropriate funds for the Project in the future; and nothing herein shall represent, or give rise to, obligations of the United States.
8. In the exercise of their respective rights and obligations under this MOA, the Government and the Contributor each act in an independent capacity, and neither is to be considered the officer, agent, or employee of the other.

**[SEE NOTE - 4]**

9. Nothing in this MOA shall constitute, nor be deemed to constitute, an obligation of future appropriations by the \_\_\_\_\_ of the \_\_\_\_\_ of \_\_\_\_\_, where creating such an obligation would be inconsistent with \_\_\_\_\_ of the \_\_\_\_\_ of \_\_\_\_\_.

10. Notices.

a. Any notice, request, demand, or other communication required or permitted to be given under this MOA shall be deemed to have been duly given if in writing and either delivered personally or mailed by first-class, registered, or certified mail, as follows:

Any notice, request, demand, or other communication made pursuant to this paragraph shall be deemed to have been received by the addressee at the earlier of such time as it is actually received or seven (7) calendar days after it is mailed.

11. This MOA may be modified or amended only by written, mutual agreement of the parties.
