PROJECT DATA

Location

Denison Dam and Lake Texoma spans the border of Texas and Oklahoma. The reservoir lies within the counties of Bryan, Marshall, Johnson and Love in Oklahoma, Cooke and Grayson counties in Texas. Authorized for construction by the Flood Control Act of 1938, for flood control and the generation of hydroelectric power, the dam, spillway and outlet works construction were started in August 1939 and completed in February 1944. When completed, Denison Dam was America's largest rolled, earth-filled dam. The first hydroelectric turbine placed in operation was in March 1945 and the second unit in September 1949. Texoma is the largest lake in capacity in the Tulsa District and 12th largest lake in the United States.

Contact information:

U.S. Army Corps of Engineers
Lake Texoma Project Office
351 Corps Road
Denison, TX 75020
903-465-4990
CESWT-OD-R@usace.army.mil

Day Use

The Corps offers several boat ramps, 2 designated swim beaches, and many picnic sites. Fees for use of the facilities should be paid to the attendant when on duty or by using the self-deposit honor vault when the park attendant is absent. An annual Day Use Pass is available for purchase which permits the vehicle and accompanying passengers to use all boat launching ramps and swimming beaches at all Corps-operated recreation areas without further charges. To find out more information visit the Tulsa District website.

Hunting and Fishing

Public hunting lands are managed by the Corps of Engineers, U.S. Fish and Wildlife Service, Oklahoma Department of Wildlife Conservation, and the Texas Parks and Wildlife Department. Hunting and fishing are regulated by State and Federal laws, and state hunting and fishing licenses are required.

*Corps hunting maps are available at www.swt.usace.army.mil

Lake Level & Water Releases

Daily lake levels and releases for Corps of Engineers projects are available by calling 903-465-1491

The information is also available on the web at www.swt-wc.usace.army.mil

RECREATION

Camping

The Corps operates 10 Class A campgrounds on Lake Texoma. Park attendants oversee fee collection during the peak season in most parks. Self-deposit honor vaults are available for use during the off-season and in campgrounds without park attendants. Entrance gates open at 6 a.m. and lock at 10 p.m. Camping in undesignated areas is prohibited.

Rules & Regulations

Copies of Title 36 Rules and Regulations governing the public use on Corps of Engineers Projects are available upon request.

Occupancy: The maximum number of people per site is 15. Only one RV is allowed per site. The number of tents is limited by the space available at each camp site and the size of tents.

Length of stay: No camping unit will be allowed to stay longer than 14 consecutive days in any one park without written permission. Extensions will not be granted through any summer holiday weekend.

Vehicles: All vehicles must be street legal with tags, stay on established roads, and be operated by a licensed driver.

Animals: All pets must be restrained by a leash less than six feet in length. Animals are prohibited in restrooms and at designated swim beaches.

Fireworks: Possessing or exploding fireworks on government property is prohibited.

Noise: Quiet hours are from 10 p.m. - 6 a.m. Unreasonable or excessive noise/music at any time is prohibited.

Garbage: Dumpsters are consolidated in a central location within each campground. Take all camping generated refuse to the dumpsters. Bagged trash will not be collected at the campsites. Fire rings and grills are not to be used as trash bins.

Registration: All campers and their visitors must check in with the gate attendant at the park office.

Reservations: Check-In by 6 p.m.
Check-Out by 4 p.m.

Reservations

Camping reservations can only be made for dates during the peak season. The reservations can be made in person at the gate shack or through the **National Recreation Reservation Service (NRRS)** which provides a nationwide reservation system for many state and federally managed facilities.

Contact the **NRRS** by phone at:

1-877-444-6777

*Accessible to people with disabilities

**Maximum number of people

Swimming Safety:

- No lifeguards provided. Swim at your own risk.
- Learn how to swim.
- Swim at designated beach areas.
- Never swim alone. Swim with a buddy.
- Watch children closely.
- When storms approach...get out of the water and stay out.
- Don't overestimate your swimming ability as water distances are deceiving.

Boating Safety:

- Take a boating safety course.
- Obey all state and federal boating regulations.
- Head for shore if bad weather threatens.
- Be watchful for obstructions in the water. Take extra care in shallow water and along the shoreline.
- There is no entry allowed beyond the buoy lines above and below Denison Dam.

It's the **LAW**..Children under 13 years of age **MUST WEAR** an approved **Personal Floatation Device (PFD)** whenever underway on a vessel less than 26 feet in length.

Bobber the Water Safety Dog says "Visit me on the Tulsa District's Water Safety page so YOU can..."

Brush Up On Safety!"

Other Agencies & Concessions

Lake Texoma Association, 580-564-2334

Two state parks located on the lake offer a variety of recreation opportunities, such as, camping, swimming, hiking, cabin rental, marina services, an ATV trail area, etc. Lake Texoma State Park is operated by the State of Oklahoma and Eisenhower State Park is operated by the Texas Parks and Wildlife Department. Find their contact numbers on the front of this map.

Twenty-one commercial concessions provide services to the public. Services include boat slip rentals, fuel, food items, camping, cabins, etc. The contact numbers for the concessionaires are found on the front of this map.
