

Popular Searches – nursing home decisions and moving

Families and professionals are often looking for resources to help with making nursing home decisions. Identified here is a selected list of audio resources and a few Braille for caregivers or persons with dementia who may have a visual impairment. They are also helpful for persons with dyslexia.

Materials may be available for loan from the Alzheimer's Association Green-Field Library or for downloading and purchase through various outlets. Search for titles in the [online catalog](#) and visit [how to borrow](#). Items may be also be available for purchase through online outlets.
