## VSB Remote Quick Start Service

---

Ensure expert installation of Kaspersky Security Center and Kaspersky Endpoint Security.

**Benefit from the work of a Kaspersky-certified professional:**

**Remote guided installation** of Kaspersky Security Center (SQL pre-installed by customer)

**Remote guided deployment** of Kaspersky Endpoint Security on two endpoints

**Creation of management policies and tasks** for endpoints

**Creation and kickoff of install tasks** for network agent and endpoint

**Review and confirmation of endpoint connection** to policy for management

***Please note:** This is a one-hour, remotely guided session timed to meet objectives in an ideal customer environment. Issues with network layout, speed and other variables may affect progress.*
