

**Model MOA for  
Additional Dredging at Non-Federal Expense in Connection with Dredging of a  
Federal Navigation Channel**

**Applicability:** for additional dredging, at full non-Federal expense, in connection with dredging of a Federal navigation project.

**History:**

1. New model approved 26 August 2015.
2. 22 June 2016 Update: the MOA has been expanded to cover all additional dredging to be carried out at non-federal expense in connection with dredging of a federal navigation project.
