

ONLINE RESOURCES

FREE ONLINE INFORMATION, TOOLS AND SUPPORT

The Alzheimer's Association® is committed to helping individuals living with dementia and their caregivers by providing access to reliable information and helpful tools.

ALZConnected®

alz.org/alzconnected

ALZConnected® is a free online community designed for people living with dementia and those who care for them. Members can post questions about dementia-related issues, offer support, and create public and private discussion groups around specific topics.

ALZNavigator™

alz.org/alznavigator

ALZNavigator™ is an interactive online tool for individuals living with dementia, caregivers and even people who are just starting to notice memory changes. It provides resources on a variety of topics — from understanding the disease to finding local programs and services — and helps individuals create a custom action plan to print or share digitally.

Alzheimer's Association and AARP Community Resource Finder

alz.org/CRF

The Alzheimer's Association & AARP Community Resource Finder is a database of dementia and aging-related resources powered by Healthlink Dimensions®. This online tool makes it easy for individuals and families who are facing health issues, including Alzheimer's and other dementias, to find programs and services. In addition to the robust offerings of the Alzheimer's Association and AARP, users can easily access a wide range of resources, such as housing, home care, legal services and much more.

Education programs and dementia care resources available 24/7.
