

PUBLIC NOTICE

Employers / Business Owners

Regardless of the type of industry or business, any employer or business owner conducting official business in the Territory of American Samoa must acquire the following. You will be required to show and present these compliance records during random visitation or upon summoning by the Commission's Office.

- (1) Workers Compensation Insurance with an authorized Insurance Carrier
- (2) Certificate of Compliance by the WC Commission
- (3) Certificate of Non-Coverage by the WC Commission (for exempt employers)

Violation or Penalty:

- Failure to secure and maintain a WC Insurance – *Class A Misdemeanor*
- Violation to secure a Certificate of Compliance – *Class A Misdemeanor*
- Violation to secure a Certificate of Non-Coverage – *Fines Imposed (Civil Penalty)*
- Failure to post either compliance certificate – *Fines Imposed (Civil Penalty)*
- Consideration for revocation of business license before DOC

All employers and businesses are subjected to provisions of the A.S. Workers Compensation Act. Ensure your business complies with all workers' compensation requirements and compliance certificates being renewed upon expiration. Visit the Commission's Office to obtain and secure your compliance certificates.
