## Corps of Engineers Annual Day Use Pass Request

*Fees of up to \$5/day are charged at many U.S. Army Corps of Engineers day use areas, including beaches and boat launch ramps. Annual passes allow visitors to avoid having to pay day use fees each time they visit any U.S. Army Corps of Engineers operated day use area nationwide. Annual passes, available at the Park Office of any site where fees are charged, cost \$40 per pass and are valid for 12-months from the month of purchase. Passes are month and year stickers affixed to a plastic tag that is to be hung from the rearview mirror of your vehicle. The plastic tag can be used for multiple years, with new month and year stickers applied each year.*

Assuming an adequate supply is on-site, over-the-counter (walk-in) Corps of Engineers Annual Day Use Pass sales are conducted at the Pittsburgh District project offices listed below. Information on the availability of passes and office hours can be obtained by calling the project office directly.

Annual Day Use Pass requests are also accepted by mail. Those opting for mail-in service will receive the month and year sticker corresponding to the date the Corps response is mailed back.

Payment, **in the exact amount**, is required with all day use pass requests. Checks and money orders will be made payable to "F.A.O. USAED, Pittsburgh". Personal checks must include name, address, daytime telephone number and driver's license number. Cash **in the exact amount** will be accepted for over-the-counter sales.
