THE ALL-NEW

SCORPIO^N

UNMISSABLE DESIGN

The All-New Scorpio-N is what you get when aspiration meets attitude. When sophistication meets performance. And when urban meets style. Designed with a larger-than-life persona and a towering The All-New Scorpio-N is an intuitive, immersive, and enjoyable SUV to drive and own.

- » Imposing stance accentuated by various design elements such as; the long hood, functional roofrails
- » All LED lights (Signature double barrel headlamps Sting like DRLs Stacked tail lamps)
- » Diamond cut R18 alloy wheels
- » Leather wrapped dashboard with metal finished dual rails
- » Rich coffee-black leatherette upholstery

THRILLING PERFORMANCE

Thrilling Performance

The All-New Scorpio-N is engineered for those looking for a new-age authentic SUV.

Say High to Power

Power runs in Scorpio-N's veins and it delivers a performance that is synonymous with the Scorpio DNA.

- » 2.2l mHawk Diesel engine
- » 128.6 kW with 400 Nm torque

Scorpio-N doesn't waste time when it comes to dominating the streets.

Gear Up Effortlessly

The engine comes with a 6-speed automatic transmission equipped with the segment first 'shift-by-cable' technology to offer excellent shift quality and drive comfort

 mHAWK

CAPABILITY FOR EVERYONE

When it comes to capabilities, Mahindra SUVs are lonely. Because no one else even comes closer. Every feature is crafted to outperform the last.

Every feature on the all-new Scorpio N is designed to provide an unparalleled driving experience that sets a new standard for performance. With its advanced engineering, even the most inexperienced driver can confidently tackle any terrain with ease.

- » **Rear wheel drive** in normal driving conditions.
- » **Next generation platform body-on-frame construction** has been engineered to ensure every drive is safe, comfortable and exciting.
 - » **4Xplor** – intelligent terrain response system on 4x4 models to rule all terrain. From mud to sand, gravel and normal off-road.
 - » **Mechanical rear locking differential** – Locks the differential to split power equally to both wheels on the axle. Helps in off-road situations and ensures maximum traction in all conditions.
 - » **Electronic brake locking differential** – Ensures maximum traction in all conditions. Applies brakes to certain wheels when they have less traction and sends power to the wheel with more traction.
 - » **Pentalink suspension** – A Watts (five) link mechanism offers a confident ride and handling attributes, especially on undulated sections of the roads as it prevents lateral movement.

INTUITIVE SAFETY

At Mahindra, we've always believed in setting high standards for safety. And the story continues with the all-new Scorpio-N.

Come What May

6 Airbags to protect you from every angle. The front, side and curtain airbags ensure the utmost safety of every occupant.

Stability

Electronic Stability Control (ESC) suite packed with 18 features maintain complete control during steep turns, high speed, and panic braking.

Ready & Steady

Uphill ride or downhill descent, it's no worry with Scorpio-N. Hill Hold to hold it from rolling back, in case you've stopped uphill. And Descent Control to limit its speed without your input when going down hill on a steep slope.

Everyone's Safe

ISOFIX enhances safety when riding with children in the all new Scorpio-N.

Brake Right

When the Scorpio-N needs to stop, it does so with precision. Thanks to ABS and EBD coupled with all 4-disc brakes on it.

Monitors Danger

The state-of-the-art tyre pressure monitoring systems keep the tyre pressure and temperature in check. And alerts you to keep you averse from danger.

SOPHISTICATED COMFORT

The all new Scorpio-N is as snug as a bug in a rug. Its interior promises luxury and freedom of space like no other.

Superior Interior

The interiors of the Scorpio-N are designed and fettled to offer a highly sophisticated sensation, delighting the driver and passengers alike.

- » 7-seater versatility
- » Dual zone FATC (full auto temperature controller) with smart clean zone.
