Required Supporting Documentation

New Requests for Floating Facilities:

(Single/Multi-Slip Dock, Swim Float, Other, Describe under Permit Type)

1. Two sets of plans (8.5x11) and specifications signed and certified by a licensed engineer.
2. Proof of legal access or adjacent land ownership (recorded deed or easement).
3. Site map, noted aerial photo, or other document detailing proposed location.
4. Original boat registrations or notarized copies are required for all new boat dock applications and renewals.
5. For Multiple Slip Docks, list all co-owners on front of application. Attach additional sheets as needed.

* **Licenses for new electric service lines crossing government property are no longer being issued. Detailed requirements will be provided by the Lake Office.**

If electrical service is desired, solar or generator service may be used in accordance with current standards contained in the National Electrical Code, National Electrical Safety Code, and all applicable state, local, and federal electrical requirements. An Electrical Service Compliance Affidavit required.

New Requests for Vegetation Modification:

1. Proof of adjacent land ownership (Warranty Deed).
 2. Attach survey plat depicting location of private property.
- * Erosion Control Requests may require additional Department of the Army Regulatory Permitting.

Change of Ownership:

1. Notarized Bill of Sale.

Data Required by the Privacy Act of 1974

Authority: The Rivers and Harbors Act of 1894 as amended and supplemented (33 U.S.C.1).

Principal Purpose: Provide the Corps of Engineers with information for contact of the responsible person applying for and/or receiving a Shoreline Management permit. The description of the activity is needed to assure conditions of the permit requirements are met.

Routine Uses: The information on this application is used in considering the issuance of shoreline management permits on Corps of Engineers projects. This information is collected and maintained at project offices and is used as basis for issuing permits. It provides auditing information for this program which has financial involvement.

Disclosure: Disclosure of information is voluntary. However, failure to provide the requested information will preclude the issuance of a Shoreline Management Permit.
