1.2. Issuance Authority Requirements for the Director, Washington Headquarters Services.

In addition to citing DoD Directive 5110.04 in the purpose statement of any issuance approved by the Director, you must also cite DoD Instruction 5025.01.

1.3. Issuance Authority Requirements for the Chief Digital and Artificial Intelligence Officer (CDAO).

The following references must be cited in the purpose statement and the reference list of CDAO issuances until a CDAO chartering directive is issued:

1.4. Note Regarding Authority for Approval of DoD Manuals and Non-policy Directive-type Memorandums.

In its definitions of "DoD manual" and "directive-type memorandum," DoDI 5025.01 states that manuals and directive-type memorandums that implement policy may be approved by Presidentially-appointed, Senate Confirmed (PAS) officials "as authorized by their chartering DoDDs." If your PAS official doesn't have that authority in their chartering DoDD or

establishing Deputy Secretary memorandum, your Principal Staff Assistant or their Principal Deputy must approve your issuance.

As of this date, the following PAS officials do **not** appear to have the necessary authority.

- ASD (Critical Technologies)
- ASD (Cyber Policy)
- ASD (Industrial Base Policy)
- ASD (Mission Capabilities)
- ASD (Science and Technology)
