INTRODUCTION

COVERAGE

Pursuant to the Office of Management and Budget (OMB) Circular No. A-11 (2021), this plan and its exhibits apply to the orderly shutdown of all Merit Systems Protection Board (MSPB) functions and activities in the event of a lapse in appropriations for normal agency operations. The plan does not address other unexpected contingencies. The action items set forth in this plan may be modified or not implemented based on direction and/or guidance from the Administration, including direction and guidance administered by OMB and the Office of Personnel Management (OPM).

DEFINITIONS

- “Chief executive and administrative officer” (CEAO): Chairman, Acting Chairman, or other individual heading the agency pursuant to MSPB’s Continuity of Operations Plan (COOP).
- “Excepted activities”: Activities authorized by law to continue during a lapse in appropriations and exhaustion of funds.
- “Exhaustion of funds”: The point at which all available MSPB funds have been obligated.
- “Lapse in appropriations”: The date on which the MSPB has no new funding authority due to lack of action by Congress, generally at the beginning of a fiscal year.
- “Shutdown activities”: Those activities necessary to complete an orderly shutdown of the agency and to limit operations to excepted activities.

OVERVIEW

The MSPB is an independent quasi-judicial agency of the Federal government charged with protecting the Federal merit system through case adjudication, performing merit systems studies, and reviewing significant actions of the Office of Personnel Management. In the event of a lapse in appropriations, MSPB will cease its significant functions, and limit activities solely to the function of protecting MSPB’s own property, including property in the form of data. Unless otherwise authorized by MSPB’s CEAO in consultation with OMB, after the completion of orderly shutdown activities, MSPB employees will otherwise limit activity to checking email once per day during the shutdown.

PART I

SIGNIFICANT FUNCTIONS TO BE CEASED

- A. The Attorney General's decision of January 16, 1981, and subsequent OMB memoranda provide that only excepted functions are to be continued during any appropriations hiatus. Excepted functions are defined as those necessary to prevent a compromise to the safety of human life or the protection of property. In addition to engaging in these excepted functions during an appropriation hiatus, agencies may engage in activities necessary to "clos[e] down operations funded by accounts that have not received appropriations." OMB Memorandum M-91-02 (October 5, 1992).
- B. Protecting MSPB's own property, including property in the form of data, is the only agency function which appears to meet this definition of excepted activity.
- C. Except for the property-protection function, the agency does not generally perform excepted functions as defined in Section A. Significant agency activities that will cease during a lapse in appropriations include the adjudication of appeals; performing merit systems studies; reviewing significant actions of the Office of Personnel Management (OPM); litigation; responding to congressional, Freedom of Information Act, Privacy Act, or other requests from individuals or entities outside the agency; and any other functions unrelated to protecting property. Part II below describes the actions which will be required to affect such a shut down.
- D. Unless otherwise authorized by MSPB's CEO in consultation with OMB, after the completion of orderly shutdown activities, MSPB employees will limit activity to checking email. MSPB employees will be expected to check their work email once per day during the shutdown.

PART II

STEPS TO COMPLETE SHUTDOWN ACTIVITIES

A. INTRODUCTION

Actions are required prior to, during, and immediately following the exhaustion of all available MSPB funds. These actions and the time frames in which they are to be performed are set forth below. The date indicated in the checklist represents:

1. Workdays prior to no funds (NF – number of workdays)
2. Date of no funds (NF), and
3. Workdays following no funds (NF + number of workdays).

B. TIMETABLE AND ACTIONS

DATES	ACTIONS
NF-6	The ED issues notice to all employees informing them of possible lapse in funding, unless instructed by OMB or OPM to withhold communications until directed.
NF-5	Pursuant to any direction or guidance issued directly by the Administration or through OMB or OPM, and after consulting with the CEAO, the ED informs offices of which staff will be authorized to perform excepted activities and which excepted activity each employee will perform when all funds are exhausted using the criteria established in Part I. The CEAO submits the list of excepted functions to OMB for transmittal to Congress, if necessary.
NF-4	Office Directors and Regional Directors (RDs)/Chief Administrative Judges (CAJs) confirm emergency contact information for their staff, e.g., on wallet cards.
NF-3	The Director of FAM, in consultation with Office Directors and RDs/CAJs, identifies those contracts that should be kept in place or entered into. Office Directors and RDs/CAJs require employees in a travel status to return to duty station unless travel is for purposes of shutdown activities.

NF-1	<p>Upon clearance from OMB, the ED issues notice to all employees informing them of the exhaustion of all available funds and the possibility employees will have to be furloughed. The notice informs employees of the steps that may be necessary for the orderly suspension of agency activities, that employees will only have up to four hours on the first business day after the lapse in funding to complete the steps, that some of the steps may be completed in anticipation of a possible shutdown, and that with the prior permission of a supervisor the steps may be performed remotely after the commencement of a shutdown.</p> <p>The ED authorizes FAM/HR to prepare furlough notices for distribution to employees not being retained to perform excepted functions.</p>
NF	<p>The ED notifies Office Directors and RDs/CAJs of those employees who will not be furloughed so they can perform excepted activities.</p> <p>For all other employees, FAM/HR distributes furlough notices to employees using their official agency email address requesting affirmative acknowledgement of receipt from the employee. Employee receipt may be acknowledged by reply email. Employees may receive and acknowledge the furlough notice from home.</p> <p>FAM/HR's email reminds employees that they may perform only those functions associated with the orderly suspension of agency activities, e.g.:</p> <ol style="list-style-type: none"> 1. Notify outside parties of agency status, including all courts in which the MSPB has pending litigation. 2. Cancel meetings, etc. 3. Secure all files. 4. Document status of individual cases and projects. 5. Date stamp and secure all mail received but do not process further. 6. Answer telephones, but only to inform callers of our status and not to respond to new business matters unless it is of an emergency nature. 7. Place an out of office message on voicemail and email. <p>These activities may be performed remotely with the prior permission of a supervisor,</p> <p>The Office of Regional Operations (ORO), the Office of the Clerk of the</p>

	<p>Board (OCB), the Office of Appeals Counsel (OAC) and OGC terminate appeal, outreach, and mediation proceedings. The Office of Policy and Evaluation (OPE) terminates studies and surveys.</p> <p>OGC reminds all employees of the ethics restrictions regarding outside work and of the need to solicit any ethics guidance prior to the beginning of a lapse in appropriations when ethics guidance will not be available.</p> <p>Office Directors and RDs/CAJs remind employees to check email once per day during the shutdown.</p> <p>Office Directors and RDs/CAJs excuse personnel receiving furlough notices after they complete shutdown activities.</p> <p>Director of FAM informs all offices that no obligations can be incurred without his/her or FAM/BO's prior approval.</p> <p>CEAO submits list of expected function to OMB for transmittal to Congress, if necessary.</p>
NF+1	The ED consults with OMB and OPM regarding shutdown activities.
NF+2 to +28	Continue excepted activities as defined and authorized by the CEAO.
NF+29	<p>The ED, after consulting the CEAO, authorizes FAM/HR, if necessary, to issue second furlough notices according to MSPB policies and appropriate regulations.</p> <p>The ED, after consulting the CEAO, authorizes the Director of FAM to issue termination notices to MSPB contractors and termination notices for contracts with vendors/contractors.</p> <p>Continue excepted activities as defined and authorized by the CEAO.</p>
NF+30	Continue excepted activities as defined and authorized by the CEAO.

PART III

STATEMENT OF TOTAL NUMBER OF AGENCY EMPLOYEES AFFECTED

Approximately 200 agency employees are expected to be on board before implementation of this plan. MSPB personnel will be divided into two categories: (1) employees in non-work (or furlough) status and (2) those in a work status performing excepted functions. Employees in the work category will be retained, but only authorized to carry on those excepted activities as defined and authorized by the CEAO.

4. They are necessary to the discharge of the President's constitutional duties and powers;
