Questions & Answers

1. For Key Staff is .5 level of effort (LOE) equal to 50%?

Yes, 0.5 LOE is the same as 50% full time equivalent (FTE) for the Project Director (PD).

2. Is there any direction in the Notice of Funding Opportunity (NOFO) regarding managing and treating comorbidities?

Yes, The CHR-P NOFO in the required activities section, delineates components of the Stepped Care Model (page 10). The model includes a substance use risk reduction component but does not address other co-morbidities.
