DESCRIPTION: SAMHSA/CMHS is accepting applications for fiscal year (FY) 2023 Transforming Lives Through Supported Employment Program (Short Title: Supported Employment Program). The purpose is to support state and community efforts to refine, implement, and sustain evidence-based supported employment programs and mutually compatible and supportive evidence-based practices (e.g., supported education) for adults with serious mental illness (SMI) or co-occurring mental and substance use disorders (COD). The awards provide resources to help individuals with SMI or COD achieve competitive employment and build paths to self-sufficiency and recovery.
