Eligibility

1. Who is eligible to apply?

An eligible applicant is a Single State Agency (SSA) for Substance Use. The District of Columbia, Guam, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the Virgin Islands, American Samoa, the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau are eligible to apply.

2. Can individuals apply for and receive funding through the FY2024 State Pilot Program for Treatment for Pregnant and Postpartum Women Grant program?

No, individuals cannot apply for this grant. Individuals can find resources for treatment or assistance at SAMHSA's Behavioral Health Treatment Services Locator (<https://www.findtreatment.gov>) or contact SAMHSA's National Helpline at 1-800- 662-HELP (4357).

3. Can an organization that is currently in the process of securing nonprofit status apply to this program?

An organization must have documentation of their nonprofit status when submitting the application by the deadline on April 1, 2024. The documentation must be included in Attachment 8 of the application.

4. Can FY2021 recipients apply to this NOFO?

Yes, recipients funded in FY2021 under the State Pilot Grant Program for Treatment for Pregnant and Postpartum Women NOFO TI-21-002 are eligible to apply. Recipients who received funding in FY2023 under the State Pilot Grant Program for Treatment for Pregnant and Postpartum Women NOFO TI-23-003 **are not** eligible to apply.

Key Personnel

5. What are the minimum qualifications and the level of effort for the Project Director?

The minimum qualifications for the Project Director are the person must be a part of the project, whether or not they receive a salary from the project. The Project Director must be involved in the day-to-day activities of the grant program. The Project Director is expected to be involved in the program through activities such as contributing to the programmatic reporting; input and awareness of the data requirements and updating of the Disparity Impact Statement. The candidate must meet the qualifications as stated in the organization's Project Director job description. The Project Director must meet the minimum 0.50 full-time equivalent (FTE) level of effort (LOE).

Required/Allowable Activities

6. Do projects need to conduct all the required activities or select from those listed in the NOFO?

Yes, projects must implement all required activities listed in Section I.3 of the TI-24-002 NOFO. The allowable activities are encouraged but not required.

7. If we cannot provide an activity ourselves, can we subcontract with another provider to implement the activity?

Yes, all required activities must be provided by applicants directly, subrecipients, or through referrals to partner agencies. Please refer to Section III.2 Cost Sharing and Matching Requirements of the TI-24-002 NOFO for additional information.

Data Collection/Reporting

8. How often will the recipient collect Government Performance and Results Act (GPRA) data?

Recipients are required to collect GPRA data at three data collections points: baseline (i.e., client's entry into the project), at 6 months post baseline, and at discharge.
